Animals in Action

Some animals can run, swim and fly really fast. Which animal runs the fastest? Which fish swims the fastest and which bird flies the fastest?

| iastest. Mil | ich lish swims the fastest and which bird lifes the fastest | | | | |
|--------------|---|--|--|--|--|
| Fast Animal | s | | | | |
| Some anima | als can run and swim faster than people. | | | | |
| Greyhound | dogs are fast, and so are hares. | | | | |
| | racehorse can run faster | | | | |
| | _ most cars go in city. | | | | |
| | of land animals is the | | | | |
| Fast Insects | | | | | |
| Some insect | s can also fast. | | | | |
| Tiger beetle | s canthe fastest. | | | | |
| Dragonflies | can the fastest. | | | | |
| Fast Fish | | | | | |
| The fastest | creature is the sailfish. | | | | |
| | can travel faster than submarine. | | | | |
| Strong Anin | nals | | | | |
| Elephants a | re strong. | | | | |
| | _ can carry up to 9,000kg 20,000 pounds. | | | | |
| This is | the weight of 130 men | | | | |
| | _ twice an elephant's own | | | | |
| The dung be | eetle is strongest animal | | | | |
| for its | It can pull over one thousand | | | | |
| | _ its own weight. | | | | |
| | | | | | |

If you were as strong as a dung beetle, you would be able to pull six double-decker buses full of people!
